WATERFORD ANNOUNCES CHEF

FARGO, N.D. — Jayson Powers has been appointed chef at Waterford at Harwood Groves and oversees the planning and preparation of all menus for the dining rooms at the resort-style retirement community.

Powers has been cooking professionally for about 15 years. Most recently, he served as the sous chef at Littlefield's Wine Bar, Bistro & Gourmet Market. He has worked at several hotels as well as managed kitchens at the Elks, the Eagles Club, and the Veterans of Foreign Wars. He favors American fare in his cooking and is heavily influenced by Euro-Asian cuisine.

Powers attended Iowa Western College's Culinary Arts, Restaurant, and Hospitality Management program and is a certified chef through the American Culinary Federation. He attributes his love of cooking to his mother, who showed him how to use the stove when he was in the fifth grade; from that point on, he knew he wanted to be a chef.

He and his wife, Brenda, have two children.

Waterford provides resort-style retirement and is currently home to more than 125 people. Serving the Fargo-Moorhead metropolitan area since 1998, Waterford offers a wide range of homes and lifestyle options. In response to local demand, it is currently adding homes and a health and fitness club.
